Our Inspiration

(Late Shri Babu Sunder Singh ji)

Our efforts in the laying foundation of "Babu Sunder Singh Institute of Technology and Management" are a continuation of his dream and vision.

Ethical Value-Based Technical Education for Poor Students

MESSAGE FROM THE DESK OF CHAIRMAN

Er. Anand Shekhar Singh

Chairman

Babu Sunder Singh Group Of Institutions

It gives me immense pleasure to welcome you with open arms to Babu Sunder Singh Group of Institutions. I grew up watching my father very closely and was very influenced by him. His strong emphasis on education led me to complete my engineering from The State Mining University, Moscow with a B.Tech and M.Tech degree in Mechanical Engineering and MBA from Russian Academy of Economics. Spending a major part of my life in Russia, I finally settled down in Moscow, after working on manufacturing units and factories related to pharmaceuticals, I still felt an emptiness, something was missing..I wanted to do something for my country and specially my state. It finally came, BABU SUNDER SINGH FOUNDATION-An Educational Society in the name of my beloved father, founded by like minded people and funded by NRI's. Babu Sunder Singh Institute of Technology & Management was established under the aegis of this society. Through the Institute my aim to provide quality education as per international standards without making any compromises in terms of faculty, labs, infrastructures or facilities. I am sure all those who become a part of the BSSGI will enrich their lives as we strongly believe in wisdom, innovation and excellence & yes, it is the reputation which one builds and that is what actually matters.

MESSAGE FROM THE DESK OF CHAIRPERSON

It is indeed a great pleasure in welcoming you to Babu Sunder Singh Institute of Technology and Management and Babu Sunder Singh College of Pharmacy under the aegis of Babu Sunder Group of Institutions (BSSGI). The past years of performance of the colleges under BSSGI have been a fulfilling experience but not that of complacency. We endeavour to strive further and surge ahead in providing Quality and competitive education through state-of-the-art technology and infrastructure in the contemporary Knowledge Society.

The last years were just few steps in our constant march towards reaching new horizons and touching new skies in the tough and competitive technical and management education, and at the same time not compromising with human values nurtured in our society. The BSSGI is committed to provide sound academic ambience, well trained and qualified faculty members, inculcating analytical orientation through logical framework to nurture scientific temper and inquisitiveness to explore new frontiers of knowledge.

I extend my heartiest welcome to the students on behalf of Babu Sunder Singh Group of Institutions, Lucknow
