BABU SUNDER SINGH GROUP OF INSTITUTIONS

Chairman's Message

It gives me immense pleasure to welcome you with open arms to Babu Sunder Singh Group of Institutions. I grew up watching my father very closely and was very influenced by him. His strong emphasis on education led me to complete my engineering from The State Mining University, Moscow with a B.Tech and M.Tech degree in Mechanical Engineering and MBA from Russian Academy of Economics. Spending a major part of my life in Russia, I finally settled down in Moscow, after working on manufacturing units and factories related to pharmaceuticals, I still felt an emptiness, something was missing... I wanted to do something for my country and specially my state. It finally came, BABU SUNDER SINGH FOUNDATION - An Educational Society in the name of my beloved father, founded by likeminded people and funded by NRI's. Babu Sunder Singh Institute of Technology & Management was established under the aegis of this society. Through the Institute my aim to provide quality education as per international standards without making any compromises in terms of faculty, labs, infrastructures or facilities. I am sure all those who become a part of the BSSGI will enrich their lives as we strongly believe in wisdom, innovation and excellence & yes, it is the reputation which one builds and that is what actually matters.

Regards & Best wishes,
Er. Anand Shekhar Singh
