— FROM THE DESK OF — CHAIRMAN

“

At BSSGI, we believe that education finds its true purpose when it opens the doors of opportunity.

Since 2010, our resolve has been to nurture students who are not merely degree holders, but confident, skilled, and industry-ready professionals.

Every program we offer — every laboratory, every industrial visit, every project — is designed with one goal in mind: to prepare you for the world beyond the campus.

Our strong bond with the industry and a proud record of 5,000+ placements stand as testimony to that commitment.

To our recruiters, I extend a warm invitation — you will find in our students the talent, integrity, and drive you seek.

Together, let us shape futures and build a stronger tomorrow.

”

Er Anand Shekhar Singh

— CHAIRMAN —

**BABU SUNDER SINGH
GROUP OF INSTITUTIONS**

BSSGI
NIGOHAN, LUCKNOW

From the desk of **CHAIRPERSON**

“

At BSSGI, we have always believed that **true education** goes beyond textbooks. Our endeavour has been to nurture not just engineers, but complete professionals — individuals who are technically sound, ethically grounded, and industry-ready from day one.

Over the years, we have invested deeply in building a **culture of excellence** — through state-of-the-art infrastructure, experienced faculty, industry-aligned curriculum, and a vibrant ecosystem of **innovation** and **skill development**. Our students are trained to think critically, collaborate effectively, and deliver results in real-world environments.

As you explore the profiles of our graduating students, I am confident you will find in them the **talent, dedication,** and **adaptability** that your organization deserves. Each one of them carries with them the values instilled at BSSGI — **integrity, perseverance,** and a **hunger to grow**.

I warmly invite you to partner with us and be a part of our students' journey towards a bright and successful future. Together, let us build a stronger industry and a better tomorrow.

”

With warm regards,

Mrs. Rina Singh

Message from the **DIRECTOR GENERAL**

“

At BSSGI, we believe that **education** is not merely the transfer of knowledge — it is the cultivation of **character, competence, and vision**. Our placement programme reflects our unwavering commitment to bridging academic excellence with **industry readiness**.

We take immense pride in the achievements of our students, whose talent and dedication have earned recognition from leading organizations across sectors. With **state-of-the-art infrastructure, experienced faculty, and robust industry partnerships**, we continue to groom professionals who lead with **integrity and innovation**.

I invite the corporate world to partner with us and discover the remarkable talent our institution has to offer.

DIRECTOR'S MESSAGE

It gives me immense pleasure to present our placement brochure to the esteemed corporate world.

At BSSITM, we are committed to nurturing technically proficient, ethically grounded, and industry-ready professionals.

Our rigorous academic curriculum, coupled with hands-on training and holistic development initiatives, ensures our graduates are well-equipped to meet global challenges.

I invite leading organizations to partner with us and explore the exceptional talent pool we have cultivated with dedication and pride.

DEAN

BSSITM, LUCKNOW

“

It gives me immense pleasure to present to you the brightest minds of BSSITM, Lucknow.

As Dean, I have had the privilege of witnessing our students grow — not just academically, but as problem-solvers, innovators, and responsible professionals.

Our rigorous curriculum, enriched by industrial visits, hands-on laboratory training, and research-driven pedagogy, ensures that every graduate stepping out of BSSITM carries with them both technical depth and professional maturity.

Affiliated with AKTU and approved by AICTE, our institution upholds the highest academic standards across all disciplines of engineering and technology.

I warmly invite industry leaders and recruiters to engage with our talented pool of students — you will find in them the dedication, adaptability, and competence that your organisation deserves.

Let us together bridge the gap between academia and industry and create a future of shared excellence.

VISION AND MISSION OF THE INSTITUTE

VISION

To evolve into distinguished institution that nurtures a **vibrant learning atmosphere**, empowering aspiring engineers to emerge as **ethical technology leaders** and **entrepreneurs** for societal wellbeing and national advancement through **innovation and research**.

MISSION

- To bridge the gap between **theory and practice** through effective teaching learning process and hands on experiments.
- To cultivate **creative minds** by indulging them in innovative projects and research.
- To foster a culture that promotes **entrepreneurial risk taking** and adaptability.
- To create **technological leaders** by inculcating **moral values** for societal welfare and lifelong learning.

EXCELLENCE

1. CREAMY LAYER STUDENT COMMUNITY

BSSITM attracts ambitious and career-focused students through a transparent admission process and a learning-driven environment that promotes academic excellence, innovation, and professional growth.

2. A LEGACY OF ACADEMIC EXCELLENCE

With years of commitment to quality education, BSSITM has consistently empowered students with knowledge, discipline, and industry-oriented learning while staying rooted in strong ethical values.

3. HIGHLY QUALIFIED FACULTY

Our experienced and dedicated faculty members combine academic expertise with practical industry exposure, mentoring students through interactive learning, research, and skill development initiatives.

4. ADVANTAGEOUS LOCATION

Situated in the peaceful and rapidly developing educational hub of Lucknow, BSSITM provides an ideal atmosphere for academic focus, personal growth, and professional opportunities.

5. VIBRANT CAMPUS LIFE

From technical workshops and cultural festivals to sports events and innovation activities, BSSITM offers a dynamic campus experience that encourages creativity, teamwork, and leadership.

6. INDUSTRY-ORIENTED LEARNING

BSSITM emphasizes practical exposure through training programs, industrial visits, seminars, and skill enhancement activities to prepare students for real-world challenges and successful careers.

7. STRONG PLACEMENT SUPPORT

With dedicated training and placement assistance, BSSITM continuously works towards enhancing employability by connecting students with reputed companies and career opportunities.

8. COMMITMENT TO HOLISTIC DEVELOPMENT

At BSSITM, education goes beyond academics. The institute focuses on personality development, communication skills, ethics, and leadership qualities to nurture confident professionals and responsible citizens.

PLACEMENT PROCEDURE

INVITATION

A formal invitation with the placement timeline and the other relevant information are sent out to organizations by the Training and Placement Cell of the institution to take part in the recruitment process.

01

SHARING DETAILS

The company is required to share the details regarding job descriptions, eligibility criteria, CTC and the selection process with the Training and Placement Cell of the institution.

02

PRE-PLACEMENT TALK

The interested companies will be allotted slots and dates by student coordinators of the Training and Placement Cell of the institution for conducting presentations followed by their screening test(s).

03

SHORTLISTING

The company is required to mail the list of shortlisted candidates to the Training and Placement Cell for further placement procedure.

04

INTERVIEW

After the completion of the required screening rounds listed by the company, the placement interviews begin.

05

FINAL LISTING

The company is required to furnish the final list of selected candidates by the end of their assigned slots. Offer letters are to be sent to the Training and Placement Cell of the institution.

INFRASTRUCTURES

Kalam Hall

Kalam Hall at bssitm is one of the most vibrant and significant venues on the campus. Established in 2015, the hall is named in honour of Dr. A.P.J. Abdul Kalam, whose vision of innovation, education, and youth empowerment continues to inspire students across the nation.

The computer lab at BSSITM

is equipped with the latest hardware and software systems, enabling students to work efficiently on programming, software development, research, project work, and technical applications. All computer terminals are interconnected through a high-speed LAN network and supported with internet and Wi-Fi connectivity, creating a smooth and technology-driven learning environment.

The lab at BSSITM

is equipped with modern machines, tools, instruments, and workshop facilities that enable students to perform experiments and understand the principles of mechanics, manufacturing, thermodynamics, fluid mechanics, production engineering, and machine design. Students gain hands-on experience through practical sessions, project work, demonstrations, and industrial-oriented training activities.

The Civil Engineering Lab at Babu Sunder Singh Institute of Technology and Management

is well-equipped with modern instruments and testing facilities to provide practical exposure in surveying, material testing, fluid mechanics, and structural analysis. The lab enhances technical skills, promotes innovative learning, and helps students gain hands-on experience aligned with industry requirements and engineering standards.

VIVEKANAND BOYS' HOSTEL

A Comfortable Home Away
from Home

The Vivekanand Boys' Hostel at BSSITM provides a safe, disciplined, and student-friendly residential environment. Equipped with spacious rooms, modern amenities, round-the-clock security, and recreational facilities, the hostel fosters academic focus, personal growth, and a sense of community among students.

SARASWATI GIRLS' HOSTEL

Secure Living with a
Nurturing Environment

The Saraswati Girls' Hostel offers a secure, comfortable, and supportive atmosphere designed to meet the needs of female students. With well-furnished accommodation, hygienic facilities, dedicated supervision, and a peaceful study environment, it ensures a holistic residential experience.

CONFERENCE HALL

A Hub for Academic and
Strategic Discussions

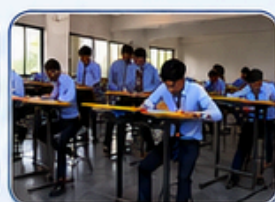

The Conference Hall at BSSITM serves as a professional venue for meetings, seminars, workshops, academic reviews, and institutional planning. Equipped with modern infrastructure and a sophisticated ambiance, it facilitates meaningful discussions and collaborative decision-making.

ADVANCED ENGINEERING LABORATORIES

Transforming Knowledge into Practical Expertise

The state-of-the-art laboratories at BSSITM provide students with hands-on exposure to modern equipment, instruments, and industry-oriented practices. Guided by experienced faculty, students develop technical competencies, problem-solving abilities, and practical skills essential for successful engineering careers.

CRICKET GROUND

Nurturing Sporting Excellence and Team Spirit

The expansive cricket ground at BSSITM provides students with a professional sporting environment for practice, tournaments, and inter-college competitions. The well-maintained field promotes physical fitness, leadership, teamwork, and sportsmanship while encouraging students to excel both academically and athletically.

CRICKET PRACTICE NETS

Sharpening Skills for Competitive Performance

The dedicated cricket practice nets enable students to refine their batting, bowling, and fielding techniques under structured training sessions. Designed to support professional-level practice, the facility helps aspiring cricketers develop confidence, precision, and match-winning abilities.

OPEN AIR FITNESS PARK

Promoting Health, Wellness and Active Living

The Outdoor Fitness Park at BSSITM offers students a refreshing environment for exercise and recreation amidst lush greenery. Equipped with modern fitness stations, the park encourages a healthy lifestyle, physical well-being, stress management, and holistic personality development.

EMPOWERING STUDENTS. ENRICHING CAREERS.

TRAINING & PLACEMENT CELL

BRIDGING TALENT
WITH OPPORTUNITY

Established with a vision to empower students and build industry-ready professionals, Babu Sunder Singh Institute of Technology and Management (BSSITM) is a premier technical institution affiliated with **AKTU, Lucknow**.

The Training & Placement Cell plays a pivotal role in shaping successful careers by connecting students with leading organizations across sectors.

Our student-centric approach ensures holistic development, strong placement outcomes, and a seamless recruitment experience for recruiters.

RESPONSIBILITIES & ACTIVITIES

Facilitates internships, industrial visits, and training for hands-on industry exposure.

Manages campus placements with equal opportunities for all students.

Provides career guidance aligned with industry expectations.

Shares recruiter feedback to inform curriculum updates.

Supports curriculum enhancement to meet evolving industry needs.

FACILITIES PROVIDED

BSSITM offers robust infrastructure to support seamless recruitment processes:

**AUDITORIUMS &
LECTURE HALLS**

Equipped with modern AV systems for pre-placement talks and seminars.

COMPUTER LABS

100+ high-speed internet-enabled systems for online tests and interviews.

INTERVIEW SPACES

Dedicated rooms with round-the-clock internet for GDs and personal interviews.

**RECRUITER
HOSPITALITY**

On-campus guest houses and transport support, with off-campus options available.

**STUDENT & STAFF
